All colors

Matte

Sensitech

The matte finish combines beauty and performance. Sensitech technology ensures slip resistance, ease of cleaning, and an original touch. | La finitura opaca coniuga estetica e performance. La tecnologia Sensitech offre resistenza allo scivolamento, facilità di pulizia e un'inedita gradevolezza al tatto.

Polished

Glossy, reflective finish that underscores the brightness of the background and the irregularities typical of Polished natural marble. | Finitura lucida e riflettente che esalta la luminosità del fondo e le irregolarità tipiche del marmo naturale lucidato.

Velvet

Velvtech

The Velvet surface replicates the effect of semi-Polished marble. It has a velvety touch and semi-opaque highlights. The natural character of the surface is highlighted by areas of different opacity perceptible in oblique or reflected light. | La superficie Velvet replica l'effetto di un marmo levigato. Si distingue per la mano vellutata e per i riflessi semi-opachi. La naturalezza della superficie è evidenziata da zone di diversa opacità percettibili in luce radente o riflessa.

Hammered

Sensitech

✂ 9 mm Matte
✂ 20 mm Outdoor

The Hammered surface reproduces the natural character of split marble as if just cut out of the quarry. | La superficie Hammered riproduce la naturalezza del marmo «a spacco» come appena uscito dalla cava.
